

NEAvalables participation form

If you are an “unattached” resident of Northeast Arkansas looking for a relationship, you may wish to participate in InStep magazine’s NEAvalables feature. The quarterly magazine showcases one man and one woman in each issue, highlighting their personalities and likes/dislikes with a question-and-answer type format, along with a full-color photo.

This service is free to the participant, but you must be willing to fill out a questionnaire and come to The Sun office for your portrait.

If you are interested, please print this form, fill it out and bring or mail to The Sun, Attn: InStep magazine, 518 Carson St., Jonesboro. You may also e-mail this information to: khill@jonesborosun.com.

Selection of participants will be at the discretion of InStep staff. If you are not selected for the upcoming issue, we will keep your form on file for possible use in the future.

If you have questions, you may call Karin Hill, InStep editor, at 935-5525, or send an e-mail to khill@jonesborosun.com.
